### CAREERS AWARENESS AND COUNSELLING

WHEREAS Mushkegowuk Youth need  
processes to explore different career  
options; and

WHEREAS the introduction of career  
exploration and planning needs to begin  
at the primary grade levels; and

WHEREAS career assessments,  
resume-writing skills and job  
preparation skills need to be introduced  
beginning in grade nine; and

WHEREAS career exploration and  
counselling helps young people learn  
the importance of goal-setting and what  
is required to reach their goals;

THEREFORE BE IT RESOLVED that  
the Mushkegowuk Chiefs in Assembly  
mandate the Omushkego Education to  
begin the development of career  
awareness and counselling opportunities  
that would be implemented in all  
schools within the Mushkegowuk  
Territory.
