SUBJECT: KASHECHEWAN RESIDENT DOCTOR

WHEREAS the community of Kashechewan does not have a resident doctor;

AND WHEREAS the community of Kashechewan would benefit from having a resident doctor who would be able to come to know the people and understand their medical problems as well as respond more effectively to emergency situations by providing medical care without the need for transportation to another community;

THEREFORE BE IT RESOLVED THAT the Mushkegowuk Council supports the Kashechewan First Nation in its effort to obtain a full time resident doctor from the Department of National Health and Welfare;

AND BE IT FURTHER RESOLVED THAT the Mushkegowuk Council supports the Kashechewan First Nation in its insistence on being fully involved in the implementation of a resident doctor program.
